

We are a company for everyone and of everyone. We create value with the contribution of everyone, innovate at every step, and lead closely, paying attention to the qualities and needs of each individual. Everything we are, we achieve together. And there's nothing more inspiring than that. #BETTERTOGETHER

Position title: PLANNING ASSISTANT

We are looking for a PLANNING ASSISTANT (M/F) to join our SOHI team in SANTARÉM, and we believe we will be #betterwithyou.

One thing you can be sure of is that a diversity of responsibilities and challenges will not be lacking! Your day-to-day will be filled with:

Analysis and control of inventory;

Performing support activities for the operation;

Ensuring interface with different stakeholders of the supply chain (internal and external);

Elaboration of the daily production plan/Reception and breakdown;

Analysis of data and operational indicators;

Promoting continuous improvement and a good relationship between the parties, to ensure maximum efficiency and effectiveness in the operation, always meeting the needs of MC.

Qualifications/Skills Required:

Practical experience in planning Assistant for at least 1 years.

Availability to work in rotating shifts with rotating days off;

Flexibility, proactivity, and a sense of responsibility;

Strong analytical ability and critical thinking;

Capacity for planning, organization, dynamism, and accuracy;

Good teamwork skills and ease of interpersonal relations.

Preferred Competencies:

Degree in Management, Industrial Management, Data Analysis, Logistics (College or University)

Proficiency in Office, particularly advanced Excel and Power BI

We look forward to your CV! We will be #Bettertogether!

**MC D&I Commitment:**

We work to create a work environment based on the richness of profiles and focus on uniqueness, ensuring that everyone feels respected, valued for their skills, and confident in the organization.
